

Test Valley Devons Order Form

Each pack contains a variety of cuts, including premium steaks, roasting joints, stewing steak and minced beef.

We offer 3 sizes of beef packs; small (4-6kg), medium (6-8kg) and large (8-10kg). The size range of each pack allows for the natural variance in weight of each individual animal. The beef packs are weighed individually and you only pay for the exact weight of the beef that you receive.
